July - September 2009 Prayer Letter

Dear Pastor, Church, and Co-Laborers:

It is hard to believe that summer has come to an end. The Lord has blessed us with a great summer. We traveled in nine states and put many miles on our van but had wonderful meetings. We had a meeting in New Orleans for the first time and had some

meetings in Texas as well. At one point we were in five different states in one day. Thank you for your prayers as we are traveling the roads.

The fall seems to be a little slower but in the last few weeks we have scheduled two more meetings in October and November. We are looking forward to being in a mission conference in a young church plant in November. After that we will be in North Carolina, California, and Louisiana. We are praying that God will help us be a blessing and encouragement during these meetings.

In November we will have the opportunity to travel back out to California and spend a couple of weeks helping Church Planter Andy Doss and Merced Baptist Church. We are looking forward to seeing the area that God has called us to reach. I am constantly reminded of how many people in this world and in California are lost and on their way to hell. It is our job to go and tell these people about the blessed hope we can all have in Jesus Christ. Please continue to pray that God will help us raise our needed support and that we will be able to leave for California by October 2010.

Throughout the last several months it has been exciting to see how the Lord has provided for our needs. We are constantly thanking the Lord for his protection and provision. We have certainly been able to feel the prayers that have been offered up on our behalf. Thank you for praying for us as we are traveling and setting up new meetings for next year. Nothing is more comforting than to know that fellow Christians are praying for you.

Please continue to pray for safety as we travel. November 17 will be our first airplane trip with Nathan. We are excited and a little nervous about this new experience but believe that he will do well. Pray that we will remain healthy as we travel and that we will be able to schedule more meetings for next year. As always, pray that God will provide the support needed for us to get to California. Thank you again for all of the sacrifices that you make through prayer and financial support.
