Pastor Emeritus: Glenn W. Anderson, Sr.

Dear Pastor:

I would like to recommend to you David and Amber Rasnake for your consideration for missionary support. David has answered the call of God to plant churches in California. While California is in the United States, it is definitely an area where the need for the Gospel is greater than ever. Without a doubt, David and Amber Rasnake would be an asset to the Lord there.

While at Liberty Baptist Church, David and Amber have been very active in the ministry. They have served in the Bus ministry, Soul-winning/visitation and Children's and Teen church. They both are always willing to step in and help in any other area.

David was reared in a Christian home and graduated from Atlanta Baptist College. Amber was also reared in a Christian home and graduated from Pensacola Christian College. Both have been properly trained for ministry and have a heart for souls.

Please consider them for your missions program.

In Christ,

Matthew W. Grimes

Pastor
