Dear Pastor, Church, and Co-Laborers:

Boy has it been an exciting and busy two months. I want to start by apologizing for the tardiness of this prayer letter due to my computer crashing completely. Thankfully, the Lord provided the money to get a new computer but it is a continual process to restore all of my files from my old computer.

Since our last prayer letter, we have had several meetings from Denver, CO to Philadelphia, PA. It has been amazing to see so many new parts of our country and is interesting to see how great the need is for more churches to be planted. During our time in Philadelphia we visited a church that is just over a year old and it was wonderful to see how the church had grown. Being in a rough area of Philadelphia it was great to see how close the people were to one another. We had a wonderful meeting and praise God for the growth of this young church.

Please continue to pray that our upcoming meetings will go well. We still need about \$7,000 toward moving expenses, and we are praying that we will be able to move to California this summer. As time draws closer, I will need to travel to California at least one more time to find a place to live. We are excited to be so close to our departure to California and are currently working to setup more meetings in California.

April 22 is quickly approaching and we are excited about the future birth of our first daughter. Amber has been doing great with this pregnancy but pray that all will go well in the delivery and recovery. Thank you for all of the prayers.

As we are continuing to pray toward our departure for California, we continue to seek the Lord's provision for our moving expenses. It is still too far out to get an exact cost, but we need about \$7,000 to move out to California, secure a place to live, and purchase some household appliances. If you are interested in sending money for this purpose, please send it to Macedonia World Baptist Missions 'moving account David & Amber Rasnake'. We are confident that the Lord will supply this need and are excited to be approaching the end of this phase in deputation.

Reaching California,

David Rasnake
