July - August 2010 Prayer Letter

Dear Pastor, Church, and Co-Laborers:

The summer is coming to an end and we are looking forward to what God has in store for us this fall. We have several mission conferences scheduled this fall, and we are waiting to see how the Lord continues to bring in the additional support. We continue to see new support come in each month and have been given some money toward our moving expenses as well.

We had several local meetings recently and will be able to continue staying close to home with the next several meetings. This will be a blessing since we are expecting our second child. We are excited that God has blessed us with another child, and that he has allowed us to be able to stay close to home for the first couple of months of her pregnancy. Please pray that there will not be any complications, and that God will give us wisdom as we strive to leave for California.

During the coming months, we have several mission conferences that God is allowing us to be a part of. In the day in which we live, it is most important that we raise up a group of young people that will surrender their lives to the Lord's will. Please pray that we will be a blessing and an encouragement for more young men and women to step out into the Lord's work.

In the last several months, we have seen new support come in and pray that God will continue to bless these churches and others as we partner together in reaching California. It is easy for us to watch the news and see the problems of our world, but this must serve as a jumping off point in continuing to do more to spread the gospel of Jesus Christ. With the evil in the world today, I feel an urgent need to get to California and reach these people with the Word of God.

Thank you for all of your support and your prayers. Please continue to pray that God will bless in the meetings ahead, and that God will bless the churches we have already been to. Many have expressed a desire to partner together but are simply unable. Please continue to pray that our support will continue to come in and that God will allow us to get to California at the beginning of 2011. Thank you once again for all of your support through prayer and financial sacrifice.

Reaching California,

David Rasnake
