

The Rasnake Family

Missionaries to California

May – June 2010 Prayer Letter

Dear Pastor, Church, and Co-Laborers,

'The heavens declare the glory of God; and the firmament sheweth his handywork.' **Psalms 19:1**

Throughout our travels it has been wonderful to see the matchless beauty that God has blessed our country with. We had an amazing trip to Kansas and were able to visit several churches. It was great to spend some time with pastors that had been involved in planting several churches in the mid-west.

We had the opportunity to share our ministry with many churches in the last two months. It has been exciting to see how God has been raising our support recently. We have picked up several new supporting churches in the last couple of months. Praise God that we seem to be nearing the end of our deputation journey.

With God's continued blessing, we plan to leave for California the first part of 2011. We have opened a moving expense account to set money back toward the cost of moving out to California. We seem to need approximately \$8,000 to cover our moving expenses to California and setting up our home. Thank you for your faithful support, and we pray that God will raise the additional funds needed to get out to California.

As the summer draws to a close, we would like to ask you to pray that we will be able to schedule more meetings to finish out this year. God has been faithful to raise our support this year, and we believe that the remainder of our support will continue to come in. Continue to pray that we will have good health, be a blessing to the people we minister with, and that the Lord will continue to supply the needed meetings and support. God has been so good to us, and we pray that He is doing wonderful things in your life and ministries as well. Thank you for all of your support for us through prayer and financial sacrifice.

Reaching California,

David Rasnake
