September - October 2010 Prayer Letter

Dear Pastor, Church, and Co-Laborers:

It is hard to believe that it is time to write another prayer letter. Time seems to go so fast, but God has been so good. We have been able to schedule several new meetings and are preparing to be on the road until the second week in December. We have been able to be a part of some excellent mission conferences and saw God work in great ways. Please continue to pray that we will stay healthy as we have a long trip ahead of us.

Starting November 1, we will be on the road for the rest of the month. We will be in 18 states in November and be a part of three mission conferences or mission emphasis months. We will have the pleasure of starting a mission emphasis month at a church in Pennsylvania. Pray that we will be an encouragement to the pastor and his church, and that we will see more people surrender to the calling of God.

In our last prayer letter we asked you to pray that more young people would surrender to the Lord's will for their life. In a missions conference that we just attended a young lady surrendered to full time Christian service. It is wonderful to see God continue to call young people into His service. God is still working to raise up choice servants to share the gospel of Jesus Christ with the lost and dying world. Please continue to pray that more young people will listen and surrender to God's will for their life.

A couple of weeks ago Amber came down with a bad flu bug and we had to take her to the hospital to get some fluids. Through all of this the Lord has blessed. We are all fighting fall allergies but are excited about the up coming meetings. Pray that we will be safe on the roads, be an encouragement to the churches we visit, stay healthy as we travel, and that we will be able to raise the rest of the support that we need.

Thank you for all of your support and your prayers. There is a chance that we might be able to receive a digital piano to take with us to California. Please pray that this will work out as this would be a great asset to our future ministry in California. It is wonderful to see churches begin to pick us up for financial support and we are excited to see how the Lord is going to provide the last of our support. Please pray that our support will continue to come in and that God will allow us to get to California at the beginning of 2011. Thank you once again for all of your support through prayer and financial sacrifice.

Reaching California,

David Rasnake
